2" Mull Post

2 1/2" Aluminum Reinforced Mull Post

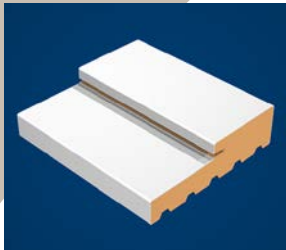

Brickmould

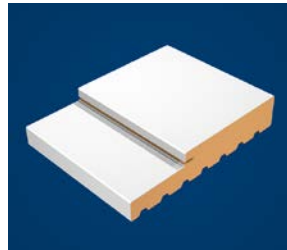

Mull Cap

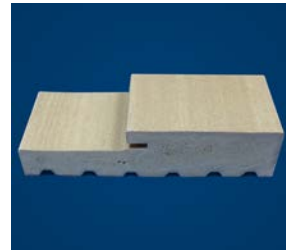

Sidelight Stop

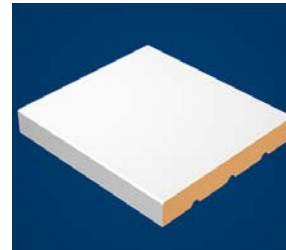

Primed Jamb

White Cap Jamb

Woodgrain Jamb

Flat Jamb

NOTE: Primed Jamb is standard. All other parts and components can be ordered. Minimums may apply on special orders.

The Metropolitan CF series composite frame is **Like Wood Only Better**. It's unique formulation combines the strength and stability of wood without the rotting, warping and splitting that is commonly found with wood frames. **The CF Frame series is resistant to mold, mildew, fungus, salt, chemicals, insects, and pollutants, leaving your entryway frame corrosion-free!** The CF Frame has the same shape designs, use, and functionality as wood molding and can be similarly painted, stained, cut, nailed, and machined.

#### CF SERIES FEATURES:

- Frame is 100% composite material
- Closed cellular structure
- Rigid poly-fiber formulation
- 2X screw holding power
- Highly durable skins
- Includes kerfed-in gasketing
- Primed jambs are standard.

#### BENEFITS TO BUYING MDI CF SERIES FRAMES:

- Resists termites & rotting for long lasting beauty
- Resists moisture - leaving it corrosion-free
- Stops mold and mildew
- No aluminum support channel needed for 3-Sided Frames
- Stronger than traditional wood door frames
- Jambs can be machined to your specs
- Cuts and nails just like wood
- Can come with HM steel door or residential door prehung
- Fast Lead Times
- Buy material in any quantity (no minimums on stock material)
- Can ship with other doors, frames & hardware items from MDI

#### AVAILABLE IN:

- Primed (standard)
- White Cap (special order)
- Woodgrain (special order)
